Logging in with Clever

There are three ways teachers and students can login to the *Big Ideas Math* online platform via Clever:

1. Go to BigIdeasMath.com and click the “Login with Clever” button. You will be directed to a Clever page where you can pick your school and type in your credentials or use your Clever badge.
2. Districts using Clever will be provided with a Clever portal URL. Teachers and students can login with their Clever credentials at this URL.
3. The district can set up a link in their Learning Management System (LMS) that will automatically connect the students to BigIdeasMath.com.

Please contact your IT department if you are not sure what your Clever portal URL is or if you are not sure where to login.

After you have logged in via Clever, click on the Big Ideas Learning icon. You will be directed to the *Big Ideas Math* online platform.

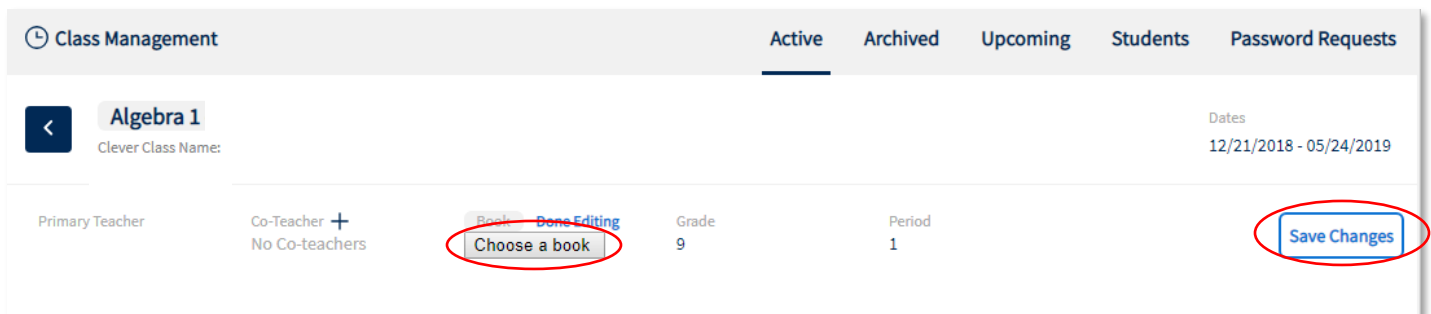

Teachers will already have their classes loaded for them, but they will need to add a book to each class. Click on the menu button in the top-right corner of the screen.

Click *Class Management*.

Click on the name of one of your classes. Under *Book*, click *Choose a book*. After you are done choosing a book or books, click *Save Changes*. Do this for each of your classes.
