The image shows the Big Ideas Math login interface. At the top, it says "BIG IDEAS MATH" in large white letters, followed by "By renowned authors Ron Larson and Laurie Boswell". Below this is a white box with a blue border containing the login form. The form has a "LOGIN" button and a "New to Big Ideas Math?" link. There are input fields for "Username" and "Password". A red "LOG IN" button is below the password field, with a "Forgot Password" link underneath. Below the login form is a white box with a blue border containing a "View Easy Access Materials" button. At the bottom of the page, there is a navigation bar with links for "Blog", "Math Musicals", "Terms of Use", "Privacy Policy", and "Contact Us". A small disclaimer at the very bottom states: "Big Ideas Math® and Big Ideas Learning® are registered trademarks of Larson Texts, Inc. Do not duplicate or distribute without written permission from Big Ideas Learning, LLC."

After you log in, you will be prompted to create a class. Click *Get Started*.

The image shows a "Welcome to BIG IDEAS MATH" screen. The top half has a red background with white stars and the text "Welcome to BIG IDEAS MATH" in white. Below this is a white box with a dark blue border containing the text: "Let's get started. For the best experience using Big Ideas Math, you first need to set up a class. We will walk you through the process." At the bottom right of the white box is a dark blue button with the text "Get Started" in white.

Create a class name, choose a grade level, select the start date and end date, and choose a book. A period number is optional. Click *Add*.

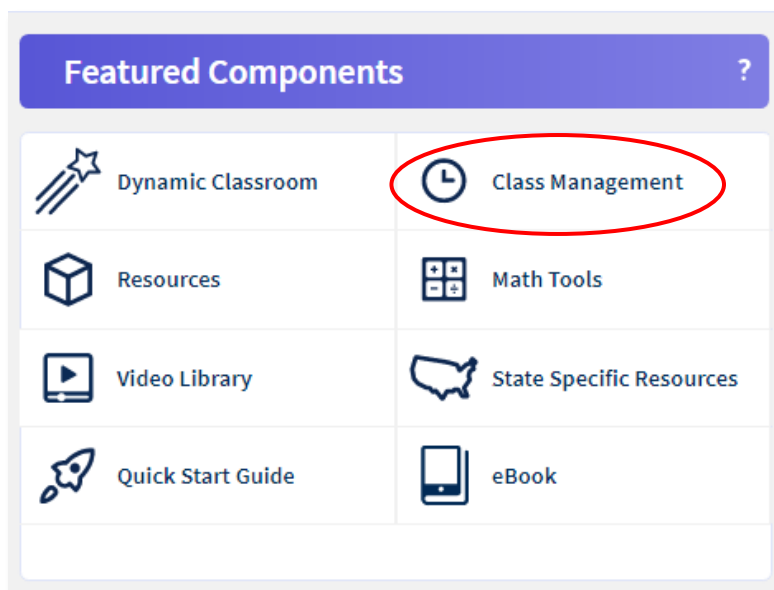

The screenshot shows a form titled "Add Class" with the following fields:

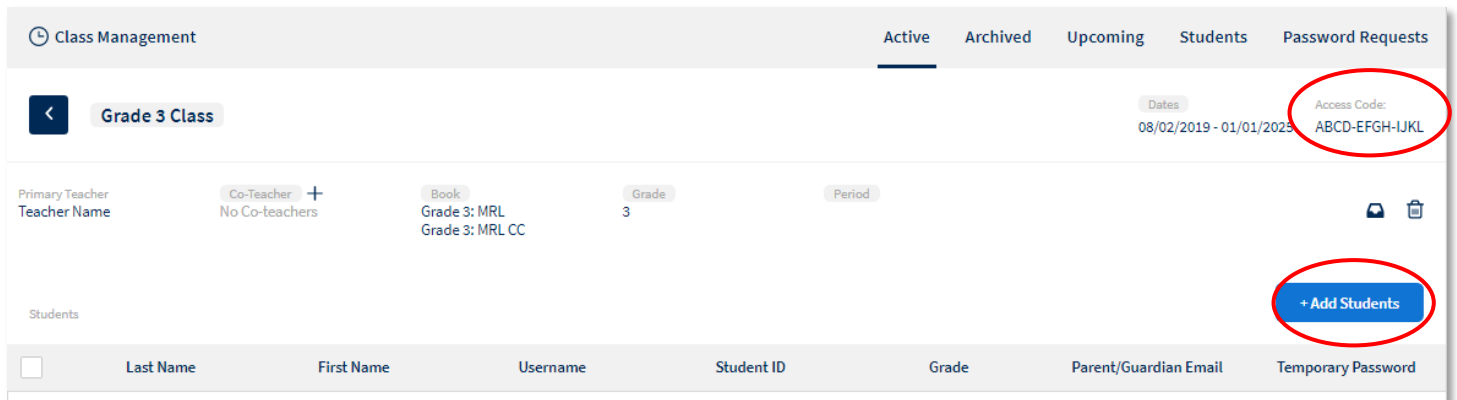

- Class Name:** A text input field with the placeholder "Enter your class name".
- Grade:** A dropdown menu with "Select grade" and a downward arrow.
- Period (optional):** A text input field with the placeholder "Enter your period #".
- Dates:** Two date pickers labeled "From" and "To", each with a calendar icon.
- Add Book:** A dropdown menu with "Choose a book" and a downward arrow.
- Buttons:** "Add" (dark blue) and "Cancel" (light blue).

After you create your first class, you will be prompted to launch the *Quick Start Guide* or go to the *Teacher Dashboard*. The Quick Start Guide will provide information on how to navigate the site, add additional classes, add students to your classes, create assignments, and more.

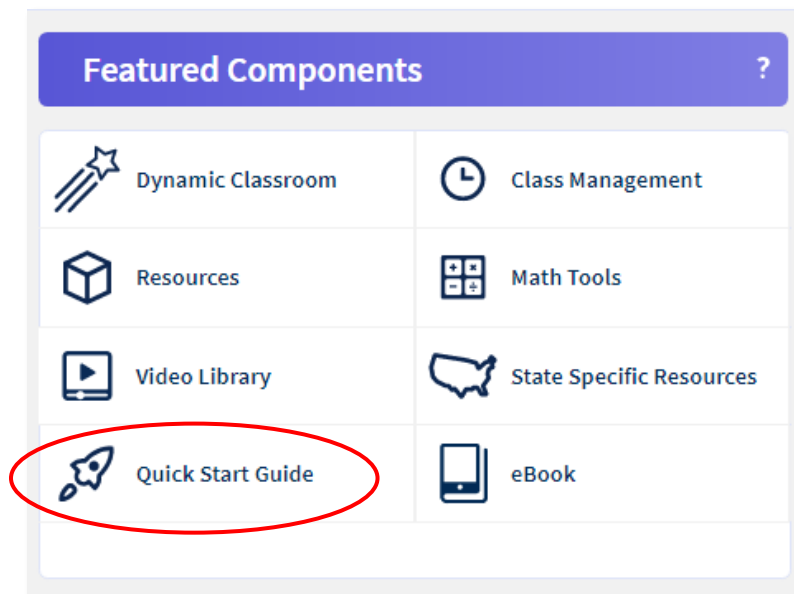

To continue adding classes, go to your Teacher Dashboard and under the *Featured Components* section, click *Class Management*.

Each class you create will have a unique access code. After you create a class, click on the class name to see the access code. Provide this access code to the students in that class so they can register a new account. Teachers can also add students to the class by clicking *+Add Students*.

Click [here](#) for more information on adding students to a class, or visit the Quick Start Guide.
